WHO Report
COVID-19 and vaccine misinformation on Instagram
PART 1

September 22, 2020
Issues with Search bar: top results point users towards COVID and vaccine disinformation and demonstrate amount of false posts.
Instagram accounts spreading COVID/vaccine disinformation

“The average time to get a vaccine approved is 10 years and 96% of proposed vaccines fail to be approved due to safety or efficacy issues. The first COVID vaccines are due to be ready Nov 1st 2020. Most people are already connecting the dots……”

There’s a 0.01% chance of rain and I’m appalled that nobody outside is using their umbrella.

SOMEBEFORE, SOMEONE IS SHOWERING WITH A MASK ON. I JUST KNOW IT
